

## ERIE CITY MISSION

July 2013

Dear Shawnta,

Thank you for being a part of the 2013 Erie City Mission's "Bonkers 4 Jesus" Arts, Academics and Athletics Program for kids in our inner city. Your presentation to our participating junior high youth was a tremendous inspiration through your personal testimony and charge for them to believe in themselves in spite of circumstances and obstacles. Without a doubt, your words of challenge ignited a spark within them to pursue their goals with passion and to dream BIG for their futures! Again, we are most grateful for your partnership through Nurturing Hearts and Pulliam Arise to support us in impacting and changing the lives of youth here in our community.

Respectfully,

RoseMarie Lackey,  
Director of Mission Ministries
